Description section:

Help kids LEARN! Be part of a dynamic TEAM! SMALL GROUP environment!

Be part of one of the most dynamic child and adolescent mental health systems in the state. Northwest Passage is a mental health agency that provides intensive, residential treatment programming to males ages 12-17. Because the pursuit of education is critical, we provide academic and educational services in conjunction with our mental health services.

Children facing a wide variety of challenges in education (learning disorders, poor study habits, lack of motivation, etc.) can make incredible gains with the right people to help.

**That's you!**

NWP is currently seeking a Teacher at the Northwest Passage II program in Spooner, WI. You will work directly with children and adolescents as part of a dynamic multidisciplinary team. Also, you will be a key liaison with community school districts regarding each child's learning goals and progress.

Excellent Opportunity: This is a great position for those seeking experience with the Special Education population!
